Hi s 22
Thanks for your email.
We've previously requested that the planning meeting occurs at least 15 business days prior to the commencement of the week, so there's sufficient time to arrange interviews with senior officials across multiple levels of government.
The timeframe below only allows for ten days.
Could you please advise whether this request is able to be accommodated?
Alternatively, it would be helpful if the review panel could provide us with an advance list of agencies they'd like to meet with, rather than waiting for the planning meeting.
Jeremy Johnson is still the SRO.
Regards

OFFICIAL

Good afternoon Mr Johnson,
I am writing to you in your capacity as the Senior Responsible Official (SRO) of the National Firearms Register Program, to begin discussions on the timing of the next Gateway Review.
The previous Gateway Review Team recommended that a Mid-Stage review should be conducted in May 2025.

To align with this recommendation, I would like to propose the following dates for the next Gateway Review:

Planning Meeting: Friday, 9 May 2025 (**Please confirm** either 9:30am to 12:30pm or 1:30pm to 4:30pm)

Review Week: Monday, 26 May to Friday, 30 May 2025 (inclusive)

ACTION REQUIRED:

1. Please confirm the proposed timing is appropriate and aligns with the Review Team's recommendation by **Friday, 20 December 2024**.
2. Please confirm if you or the program team would like to meet to discuss the upcoming Gateway Review and what to expect and what is required from an entity perspective.
3. Please confirm your availability during the review. The times that you are required is detailed in the attached Entity Responsibilities document. Also attached for your assistance is the SRO Q&A Information Sheet.

If you are no longer the SRO for the program, please let me know.

Thank you very much for your help. I look forward to hearing from you.

Kind regards,

s 22
